GOLF

NATURE.

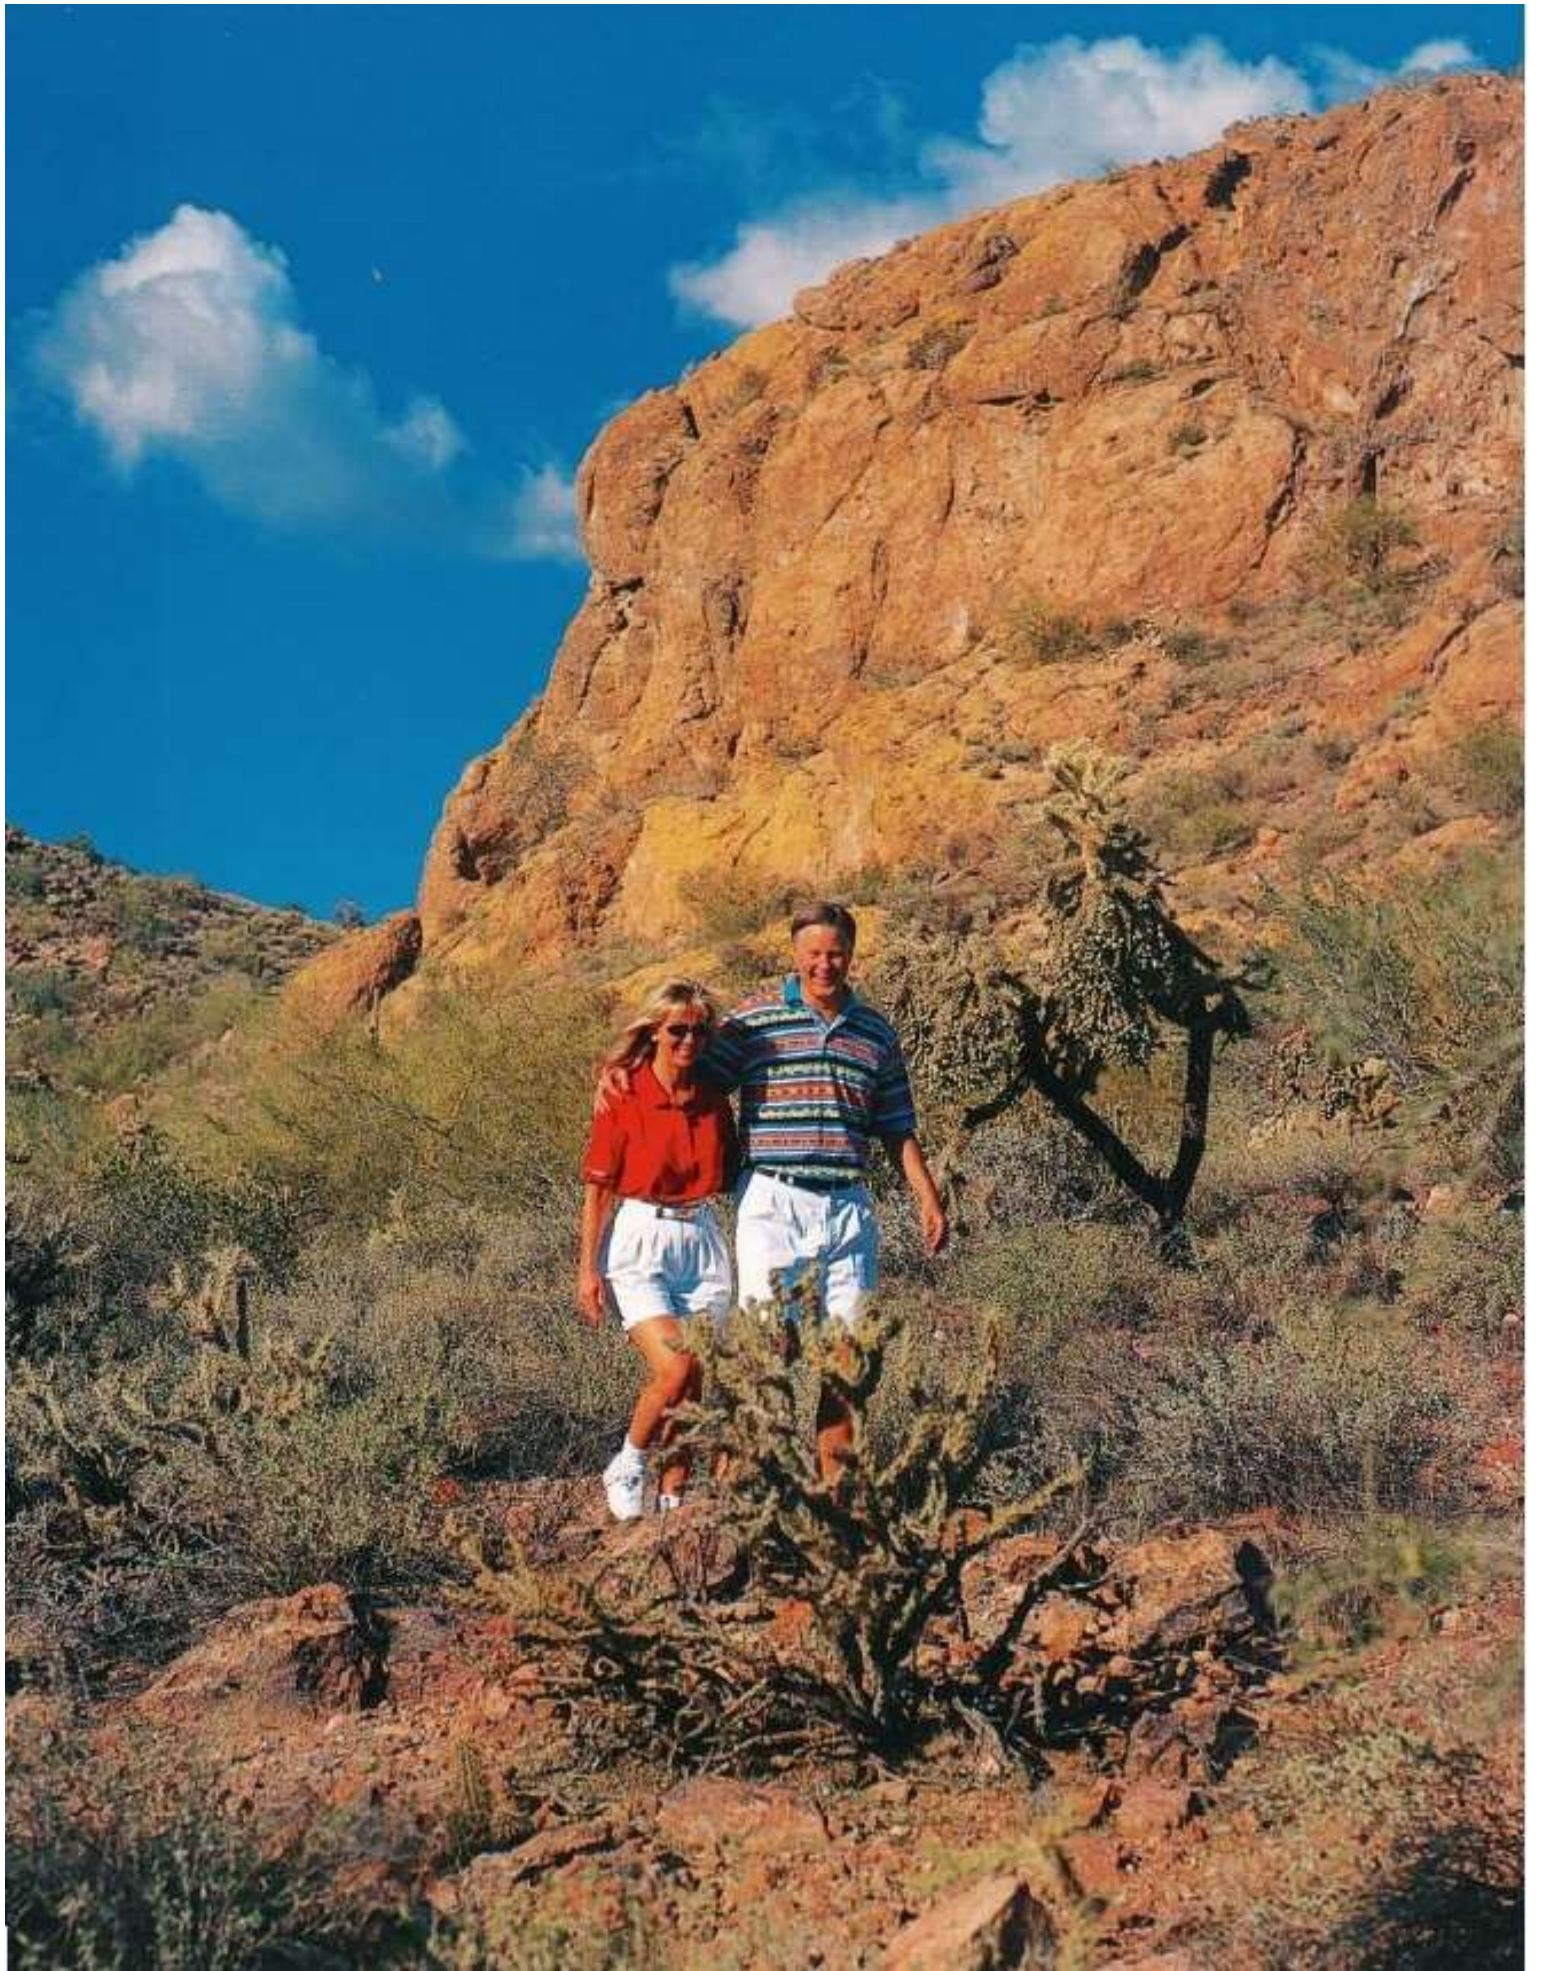

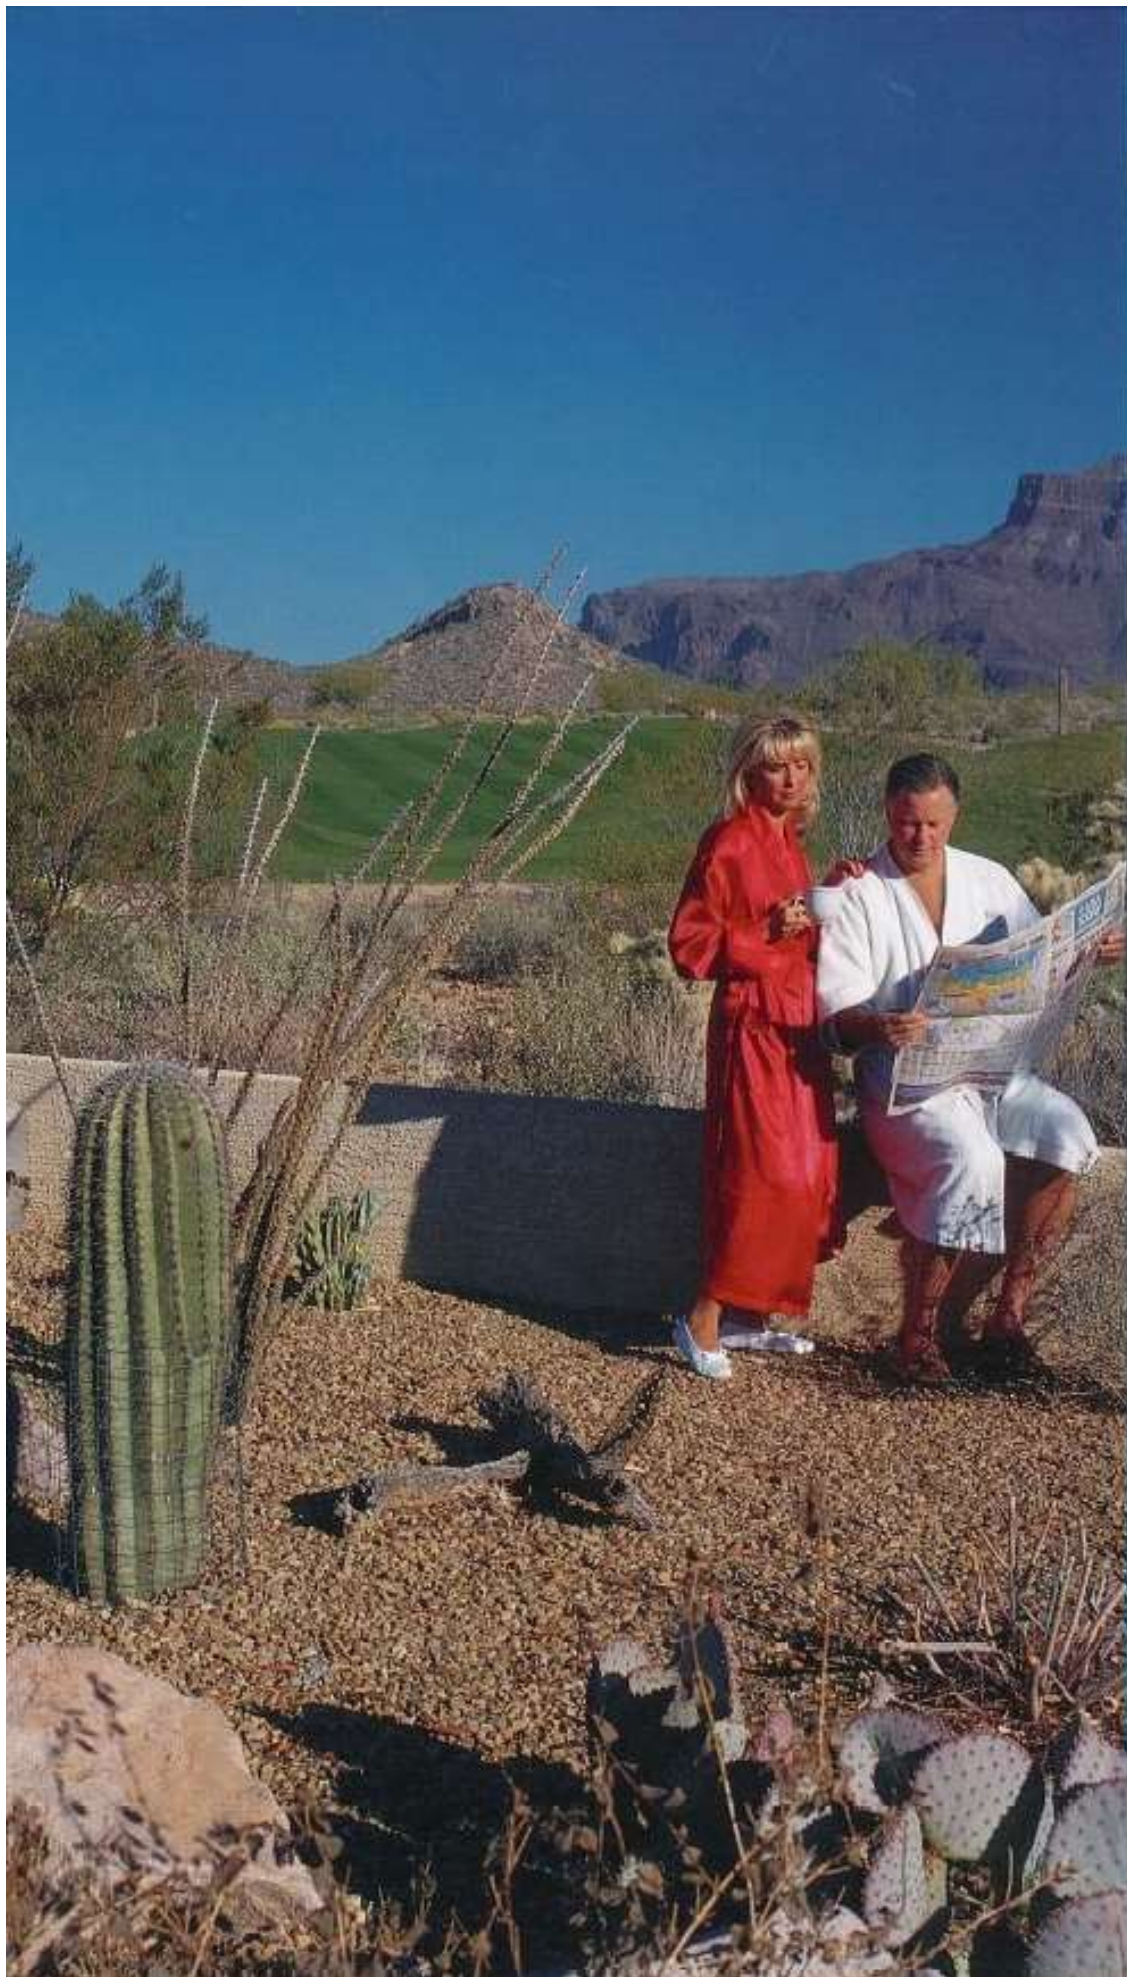

MOUNTAINBROOK
VILLAGE

Is the world different here? It seems that way. Mountainbrook Village is a peaceful retreat from city cares, a world where the air is morning-fresh and the pace is as relaxed as you wish – or as active as you like. Step inside the recreation center, and you'll find swimming, a whirlpool, billiards, tennis and more. Or enjoy challenging golf in a spectacular setting at Mountainbrook Golf Club. Next door is Gold Canyon Resort offering elegant dining and other amenities.

The setting is spectacular, a place of brilliant sunsets and untouched desert. Nestled at the base of the Superstition Mountains, this resort community is for those who value the quality of life and the beauty of nature. It's a serene world, yet surprisingly close to all of greater Phoenix. Every home is part of our village concept, which creates small, intimate neighborhoods that evoke the feeling of a small town. Here, your neighbors really are your friends, and the warmth of the desert is matched only by the warmth of the people who call it home.
