

MountainBrook Village

Welcome to MountainBrook Village, an Active Adult Community located 30 miles east of Phoenix, nestled at the base of the Superstition Mountains. The elevation of MountainBrook Village offers beautiful views of the city, desert and mountain ranges. Oh yes, the sunrises and sunsets, and the star studded skies in between, just breath taking. The natural desert washes are home to abundant wildlife. The quiet streets of our village wind through the spectacular Sonoran Desert landscape. They offer special lanes perfect for walking, biking and even golf carts. The village is intermingled among three of the five golf courses that are within minutes of MountainBrook Village.

MountainBrook Village's Community Campus offers two heated pools and a spa for lap swimming, water volleyball, exercising or just relaxing. There are courts for Tennis, Pickle Ball, and Bocci. Biking and Hiking are enjoyed daily. Healthy living options in the Fitness Center include Yoga, Tai Chi and Chi Gong as well as traditional workout equipment. Creative arts offerings at the Fired Arts Center include Pottery and Ceramics and other artforms. The Sunset Center is home to Poker, Bridge, and Mahjong among others and is comfortably decorated for receptions and parties. Clubs and special interest group activities are available for your pleasure. Residents share their talents in the Performance Arts in the 9,000 square foot Superstition Center which features a stage and dance floor. The activity calendar is packed with first-rate shows and entertainment on a regular basis. The MountainBrook Village community library is considered one of the best in the East Valley. Wi-Fi access throughout the Community Campus provides connectivity. Our Mountaineer, the village monthly magazine can also be found on mountainbrookvillage.org with private member's only pages.
